CLUB NOTES

Tonight's visitors, Plymouth Argyle, are one of the most travelled teams in the Football League. Most of their away games involve a great deal of travelling and the match tonight is played on Monday instead of our normal Tuesday to assist them in a cycle of three away games at Leyton on the 3rd September, Huddersfield on the 7th September, and at Deepdale on the 9th September, involving a round trip of some 750 miles.

They became members of the Football League on the formation of the Southern Section in 1920, but the Club was founded in 1886, when they had to contend with a great deal of Rugby opposition.

They have not made many visits in the League to Deepdale over the years, to-day's visit being their seventh, and they have yet to win on this Ground.

There have been considerable changes in our team since Argyle were last here in August, 1962. O'Neill, Wylie, Biggs, Alston and Thompson have all left the Club since then.

This season's results have already provided many shocks the two promoted Clubs : Northampton Town and Swindon Town being well to the fore in this respect. Well fancied home teams have lost to supposedly poor opposition and teams we expected to do well have found themselves struggling.

Results such as these, however, are one of the attractions of football. If all results went according to form and expectations, the game would lose one of its major appeals.

CLUB NOTES—continued

The Club is sadly lacking in Reserve forward strength as was shown in our Central League Match last week against Sheffield Wednesday, when we lost 3-1. Granted the Wednesday Reserve team was a fairly experienced one, but with four of the forwards averagining only 16½ in the North End line, it is expecting rather a lot to look for success.

However, the management is well aware of the problems and every effort is being made to secure some added forward strength.

One of our major problems, particularly with the strengthening of the First Team is the difficulty of persuading those players who do become available with 1st Division teams to come to a Second Division Club. In addition there is also the ever-present problem of wages and incentive schemes, which have to be met when seeking players from a higher Division.

Our Lancashire League Match Division 1 against Manchester City at Willow Farm resulted in a goalless draw and our Lancashire League Division 2 Match at Manchester ended in a 3-1 win for North End "B" Team. Details of teams and scorers are given elsewhere in this Programme.

Our return visit to Charlton which resulted in a disappointing 3-0 defeat marked the League debut of Kit Napier, who had a quiet game. Young Howard Kendall, making his third 1st Team appearance again showed promise and more than held his own. Both Ian Davidson, injured early in the match with Swansea, and Alec Ashworth were unfit for the game at Charlton with the result that Dave Wilson moved inside right and had quite a good game. If we are to keep interest alive in the town, we shall have to do much better than in these two latter games.

On current form we have two hard games at Deepdale before the end of this month. The much improved Middlesbrough are due here on Saturday, 14th September, and Huddersfield Town play here on Saturday, 28th September.
